

# Cork Griffiths find the ideal replacement for Pace Rehab...

Pace Rehabilitation provide a service to individuals who have sustained limb loss and/or serious limb injury, to reclaim their lives following these life changing events. The company was established in Cheadle, Cheshire in 2003. Since then, the company has expanded, opening additional clinics increasing the company's nationwide coverage.

Recruitment Consultancy Cork Griffiths placed Johnathan Musson with Pace Rehabilitation as Operations Manager. Once placed, Toby Carlsson, the Managing Director commented that his recruitment experience with Cork Griffiths was “speedy and proactive” and that Pace’s objectives were “very closely met” and “Cork Griffiths couldn’t have done anything different”.

It was also commented that Cork Griffiths gave “a good service, all the clients and candidates needs were well understood and the process worked well”. The company stated that they would definitely use Cork Griffiths again.

With 20 years experience in Executive Recruiting and Headhunting Paul Griffiths Managing Director at Cork Griffiths was able to place an accurately matched candidate quickly and efficiently.
